

## ENGR A151 - Introduction to Engineering - Fall 2012

### Homework #11

You will encounter many ethical issues throughout your student career as well as during your professional career. On blackboard under Course Material, you find a link to a video "Incident at Morales" which is meant to expose you to possible ethical problems engineers might face. A handout is also posted which provides you with a synopsis and the main characters of the video. The second page outlines an approach to evaluate ethical problems.

After watching the video answer the following questions:

**a) Describe and analyze one ethical issues raised during the first segment of the video, up to time index 22:50 min, and outline a possible response or solution (1/2-1 page)?**

**b) Describe and analyze one ethical issues raised during the second segment of the video, after time index 22:50 min, and outline a possible response or solution (1/2-1 page)?**

### Submission Instructions

Homework #10 needs to be submitted as one doc(x) or pdf file on blackboard. Name the file as follows, substituting your last and first name for "lastname" and "firstname":
